Date: 07.02.2025

## Mrs Vernon's Message:

What another fabulous week at Spire, busy as always! NSPCC Number Day has completed our week and it has been wonderful to see so many children (and staff) dressed as a rockstar, the commitment to the outfits has been superb! As part of Number Day, we all enjoyed the teacher TTRS battle, studying about mathematicians, participating in a national TTRS times tables competition and completing maths-themed artwork.

A shout-out to Mr Burbidge for arranging and resourcing the day for us!

## Year 6 Mock SATs Week

A big well done to our Year 6 children for their efforts this week during their mock SATS week! The children worked really hard, and we are proud of their work towards their SATs in May.

## Y3/4 Parent Litter Picks

This week we have had the pleasure of seeing some of our parents and carers participate in our Y3/4 litter picks to support the children's work in Geography and helping to improve the local environment- so thank you! The children have really enjoyed getting out into the local community to make a difference, so a big thank you to the Y3/4 team. We are looking forward to seeing Y3/4 CS complete theirs next week.
