Date: 27.9.24

Mrs Vernon's Message:

Thank you so much to all of our children and families who donated to our Harvest Festival. Reverend Sally-Anne and Pastor Jonathon were blown away by your generosity and kindness - in fact, we collected over 200 items to donate to Gussies Kitchen and Saints Augustine's Church - thank you!

The children also did us proud this week during our School Council elections. It was a very close competition with the number and quality of applicants - so many of our children will clearly be the great leaders of the future! Well done to those who were successful in acquiring the post.

We are also really proud of how our children have represented Spire Junior School outside of school this week on their sporting events with Miss Horton and Miss Sharman - well done!
