

PSHE at Spire Junior School

Curriculum Statement

Intent of the PSHE Curriculum

The central aim of our school curriculum is to develop the whole child and shape their minds for positive learning experiences about the world around them. We strongly believe in encouraging curiosity, exploration and developing a strong sense of self-identity.

Personal, Social, Health and Economic education (PSHE) is concerned with the acquisition of knowledge, skills and attributes children need to keep themselves healthy and safe and to prepare them for life and work in modern Britain (DCC 'PSHE Matters').

It is our aim to deliver a PSHE programme, which allows pupils to achieve their academic potential, and leave school equipped with skills they will need throughout later life as individuals, family members and members of society (PSHE Association, 2016).

Our PSHE programme is a whole school approach and not restricted to the classroom. Pupils participate in a wide range of activities and experiences across and beyond the curriculum, contributing fully into the life of the school and community. We are aware that children learn much from the overall ethos of the school, from attitudes of staff and from their relationships.

Intentions

The PSHE Programme of Study was produced in consultation with a wide variety of agencies and practitioners to meet the needs of today's pupils and is regularly updated to meet these changing needs (PSHE association).

The PSHE planned programme of learning will enable children to:

- Know and understand what constitutes a healthy life style
- Be aware of safety issues
- Understand what makes for good relationships with others
- Understand and manage their feelings;
- Encourage and support the development of social skills and social awareness;
- Have respect for others
- Be independent and responsible members of the school community
- Develop self-confidence and self-esteem
- Make informed choices regarding personal and social issues
- Develop good relationships with other members of the school and the wider community
- Develop rights, responsibilities and duties as individuals and as members of a community

PSHE at Spire Junior School

Curriculum Statement

- Understand how society works and the rights and responsibilities involved.
- Enable children to respect common humanity, diversity and differences

Through PSHE, we endeavour to foster the notions of responsibility and empowerment to promote a sense of achievement and to enhance self-confidence.

PSHE education is guided by the values of:

- Honesty;
- Kindness;
- Trust;
- Responsibility;
- Friendship;
- Self-control;
- Empathy;
- Respect;
- Tolerance

Implementation of the PSHE Curriculum

The PSHE curriculum is based around the Derbyshire County Council's 'PSHE Matters' framework.

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Y3	Being Healthy	Difference & Diversity	Exploring Emotions	Relationships	Being Responsible	Bullying Matters
Y4	Drug Education	Being Me	Changes	Growing Up	Money Matters	Being Safe
Y5	Being Healthy	Difference & Diversity	Exploring Emotions	Relationships	Being Responsible	Bullying Matters
Y6	Drug Education	Being Me	Changes	Growing Up	Money Matters	Being Safe

The units have been separated into half term, so each half term has a specific focus. The framework can be adapted for mixed-age classes as the units repeat and extend knowledge in Upper Key Stage 2.

PSHE at Spire Junior School

Curriculum Statement

The children are encouraged to engage in activities that promote an understanding of themselves as growing and changing individuals, and as members of a wider community, based on their own first hand experiences. These activities also encourage pupils to understand how their choices and behaviours can affect others.

The children are encouraged to learn alongside and collaboratively with their peers. They may use their personal and social skills to develop or extend these activities. The children are also given the opportunity to make choices about their health and environment and are encouraged to develop a caring attitude to others. References for resources relevant to the value focus are given on the PSHE curriculum.

PSHE planning is achieved through the listed objectives for each unit and lessons are taken from the 'PSHE Matters' framework and amended to suit the needs of the class, enabling teachers to use their discretion to deliver the objectives effectively for their class needs.

PSHE lessons are recorded in a class PSHE book. This book will evidence the learning intention for the lesson and photos / ideas / thoughts taken from the lesson.

Impact of the PSHE Curriculum

At Spire Junior School, teachers integrate effective AFL in all areas of the curriculum. It is important for individual teachers to use their professional judgement in assessing pupils' understanding and application of the PSHE units. The work the children do will serve as a record for classes working on each of the units. This is recorded in the whole class PSHE book.

The continuous assessment for learning made by the class teacher will inform subsequent curriculum planning. As per our marking and feedback policy, most feedback will be given verbally on the work, with written comments only being used if these are deemed to be the most effective way of giving feedback in that lesson.

PSHE class books from last year have been monitored by the PSHE co-ordinator to ensure that units are being taught and that there is a wide range of learning opportunities.

Moving forwards, to assess the impact of PSHE across the school:

PSHE at Spire Junior School

Curriculum Statement

Introducing assessments from PSHE Matters will be incorporated into the start and end of units.

Pupil Voice questionnaires will be devised to assess engagement with the subject.

RSE consultation was carried out in 2020-2021 and this policy is on the school website.
