Friday 28th February 2025

Dear Parents and Carers,

We are lucky to be able to visit Parkside Community School for a dissection lesson as part of our science topic this term on blood and the circulation system.

Y6KJ will be visiting on **Wednesday 12th March** and **Y6CH** will be visiting on **Thursday 13th March**. The children will need to arrive at Spire Junior School for 8.10 a.m. in order to be registered before walking up to Parkside with their class adults to arrive for 8.45 a.m. The lesson is approximately one hour and the children will have the opportunity to ask questions about and see the circulatory system up close. The circulatory system we will be observing will be a bull's heart and a lamb's pluck (lungs and heart).

Once the lesson has finished, the children will walk back to Spire Junior School and arrive for approximately 10.15 a.m., where they will continue their normal timetable.

We would be very grateful if you could complete the permission form below and return to school by **Friday 7th March** at the very latest for your child to be able to participate in this exciting lesson. If we do **NOT** receive written permission by Friday 7th March, your child will move to the other Year 6 class for the duration of the visit.

As always, if you have any queries or concerns, please do not hesitate to speak to a member of the team.

Many thanks,
Year 6 Team

✂

Dissection Letter

I give permission for my child _____ to participate in the dissection lesson at Parkside Community School on **Wednesday 12th March/Thursday 13th March** (delete as appropriate).

I understand that my child needs to arrive at Spire Junior School by 8.10 a.m. in order to walk up to Parkside with their class adults.

Signed _____ Date _____
