Mrs Vernon's Message:

What an active week it's been! On Wednesday, a group of talented dancers went to the Winding Wheel Theatre to take part in the Shape Partnership Dance Showcase. The theme was 'at the movies' and Miss Oldfield had choreographed a wonderful routine, to a mash-up of songs from some of the children's favorite films. There was a large audience, and it took a lot of courage to get onto the stage and perform so well - you should be very proud of yourselves! On Thursday, Miss Horton took a team of Year 6 students to the indoor athletics finals at the Outwood Academy in Newbold. The team represented Spire brilliantly and impressed staff with their attitudes and application. A huge thank you to Miss Oldfield and Miss Horton for organising both events.

The children have also been working incredibly hard in school, with Years 5 and 6 completing their assessments for this term. A special mention goes to the Year 6s who have been completing their last set of mock SATs before the real things in May. Their attitude and effort have been exceptional. All that hard work is paying off!

As a reminder, families should **not** be using the car park to pick up and drop off children before and after school. The car park is too small to accommodate everybody, and we've had a series of near misses while cars are pulling in and out. It also means that children are walking across the car park while cars are moving. Thank you in advance for your support.
