Wednesday 2nd April 2025.

Dear Parents/Carers,

As we prepare for the upcoming End of Key Stage 2 assessments (SATs), we will be offering our year 6 children the chance to access further provision before school. Children will have the chance to continue revising maths, punctuation and grammar and reading skills. There will be bagels, toast and a drink available, free of charge.

These morning sessions will start Tuesday 22nd April and run through to Friday 9th May from 8am to 8.30am in the craft room.

A requirement of attending these sessions is that your child is willing to continue to work hard. We do hope these sessions are valuable and continue to increase your child's confidence.

During the week of the assessments (Monday 12th May – Thursday 15th May), we will be running a complimentary SATs breakfast for your child to attend. The breakfast will start at 8am. We have run SATs breakfast like this over the previous years and it has always been well-attended and helped the children get settled for the day.

Friday 16th May will be a normal start time (8:30a.m.) and we will host a post-SATs celebratory breakfast that morning.

As a celebration of your child's achievements, we will be taking the year 6's to Queen's Park for a picnic (weather permitting). Please complete the information below (or contact the office), if your child qualifies for a free school packed lunch and you would like to order one. We kindly ask that you refrain from ordering a lunch 'just in case' if you intend to send your child a meal, as school pay for these orders and we do not want to be wasteful. As this falls under our local walking permissions, no further consent forms are needed, though please let us know if you do not wish for your child to attend.

Have a wonderful Easter break.

Kind regards,

The Year 6 Team.
