Mrs Vernon's Message:

What a week! This week started out with our Magic Breakfast Club linked visitors Cadent Gas, who have been working across school to educate our children about renewable energy, saving energy and saving money. We hope they have shared their ideas with you at home!

We have also been working alongside Junction Arts this year, and every class had the opportunity to work with their professional dancers and learn a routine this week.

And who could forget our OPAL Parent Play afternoon on Wednesday. As our first event of this type, we weren't 100% sure on what to expect or how many people would be interested in attending - but we are so pleased that it was such a successful afternoon and that so many of you were able to come! We are continuing to grow our OPAL equipment and resources and look forward to sharing even more fun with our families next year!

Dates for the Diary:

- Monday 16th June – Class Photos!
- W/C 16th June - National School Sports Week
- Tuesday 17th June – Physical Activity Day with SHAPE – please have PE kits in school
- Thursday 19th June – Years 3 and 4 visiting Saints Augustine's Church

Vegetarian options available daily

Jacket Potato option daily

National Thank a Teacher Day

Wednesday 18th June is National Thank a Teacher Day! We are grateful everyday for the fabulous and caring teachers that we have at Spire Junior School – I couldn't be more proud of them all 😊

Well done to all of our Year 4 children who have completed their Multiplication Tables Check this week! The children have put so much effort in to prepare and have done their best - we are very proud!
