

Spire Junior School Newsletter

Date: 11.07.2025

Mrs Vernon's Message:

As there was no newsletter last week due to the Summer Fayre, it feels like there is a lot to cover this week!

Firstly, Our Year 5 children have had two big events – a sponsored Bleep Test, where they raised an amazing £360 for Me&Dee Charity (well done everyone!) and then their Mini Police Graduation ceremony. I am so proud of all of Year 5 for both of these great achievements.

We also had a team of Year 3/4 children attending Lea Green Forest Games last week, and Miss Carter has told me that all the children who attended were phenomenal – well done!

And then last Friday we hosted our Summer Fayre! **I am beyond thrilled to announce that we have so far raised an amazing £1108!** We are continuing to sell ice-creams and ice-lollies from the office until these have all gone at £1.00, and raffle tickets will be on sale until Friday 18th July at £1.00 a strip too. Thank you to everyone who donated and contributed, we are very grateful!

Colour Run!

It was amazing to see so many of our children and staff enjoying the colour run this year! The children were all so enthusiastic and took part brilliantly!

We are very grateful to Spire Nursery and Infant School for hosting us this year and saving us all the mess!

Reports will be ready to collect on Friday 18th July!

Year 6: If you have not yet done so, please see ParentMail in order to book tickets to see Robin and the Sherwood Hoodies – the dress rehearsal today was amazing!
