Mrs Vernon's Message:

What an amazing start to 2025/2026! It has been a pleasure to see all of our children settling in so well, getting on with their learning and making new friends. Several times a day, I am being stopped in the corridor by a member of staff telling me how well a child has settled in, how brilliant a child's manners are, or how happy they are to have their classes this year!

We are already lucky to have started our Ukelele lessons in Y3/4WS and the children have enjoyed their first session. As well as this, Year 5 have already had their first swimming session - these are now an hour instead of half an hour and we feel this will be more beneficial for our children.

Behind the scenes, it has been great to have our annual induction meeting with our SchoolReaders, who volunteer to listen to all our children read. This is a lovely experience for our children, and we hope they enjoy reading to our SchoolReaders team this year!

Parking

For health and safety reasons, please can we ask that parents / carers do not drive into the car park in the mornings as there are children walking into school and staff need to be able to park. Thank you!

Jeans for Genes Day

This year we will be supporting the 30th anniversary of the Jeans for Genes charity, supporting families affected by life-altering genetic conditions. If you would like to take part, we ask that you donate £1.00 and wear your jeans for the day - staff and parents can join in too!
