15th September 2025

Dear Parents/Carers,

This year we will be supporting Jeans for Genes Day on **Wednesday 17th September** 2025. This year Jeans for Genes are celebrating 30 years, and we would like to join in by helping raise money for their wonderful charity. Jeans for Genes has raised over £52 million and worked alongside 190 charities. They work with individuals and families affected by genetic conditions.

jeans wednesday

Over recent years, we have supported a range of different charities close to our hearts: MacMillan Cancer Support, Children in Need and Ashgate Hospice, to name a few. As we try and support a range of different causes each year, we are proud to support Jeans for Genes this year for their anniversary as chosen by the staff and will work with our School Council and SMILERs to decide on another charity for our fundraising later in the year.

To support Jeans for Genes this year, we would like staff and children (parents/carers are welcome to join in too**!) to wear jeans to school for the day for a £1 charity donation**.

Our donations will continue to help individuals and families affected by genetic conditions.

Children are to hand in their £1 donations to their classroom staff.

Thank you for your continued support!

Mrs Watkinson
PSHE lead
