Mrs Vernon's Message:

We have travelled back in time this week in Year 5 and 6 as we held our Egyptian Day! The children looked amazing in their costumes and had a great time with their experiments and mummifications - though the smell was quite something afterwards! The children also really enjoyed reading each other's recounts of the discovery of Tutankhamun's tomb. This was all in support of the Year 5/6 **History** unit about Ancient Civilizations.

We have also had our first official **School Council** meeting this week, and we have **elected** a Chair and a Clerk for our meetings from our Year 5/6 representatives. During the meeting, our councilors wrote the Halloween Disco letter you received earlier this week and I am sure you will agree they did a great job! They then led our school assembly to introduce themselves and the work they are doing - I was so proud of them all!

In Year 3/4, we have had a very important visitor this week - Mrs Hill from Spire Nursery and Infants school! The children really enjoyed seeing her and sharing their good news with her about their time at the Juniors so far. Thank you for visiting, Mrs Hill!
