Mrs Vernon's Message:

A busy first week back by all accounts! Year 3 and 4 were AMAZED on Wednesday by their **STEM to STEAM** theatre show, 'Thingamabob!' and the following workshops. So many children (and staff) give it 5 out of 5 on the feedback, and we are delighted to have been given this opportunity in school for free. The scheme is all about putting the '**Arts**' into **STEM** (Science, Technology, Engineering and Maths) and it was a great example of putting these subjects together.

Our **SMILERS** stall raised a very impressive £116.25p this week! The stall linked to the SMILERS themes of **Stay Connected, Move, Interest, Look, Eat Well, Rest and Support**. Miss Harrison and Mrs Watkinson are already hard at work preparing for their next event! If anyone has a creative streak and can make any owl-themed gifts to sell, please let them know!
