Date: 27.03.2026

## Mrs Vernon's Message:

It has been a great end to the week this week as our children have taken part in our SMILERS Wellbeing Walk around our community! Between us all, we have covered local shops and restaurants, a local care home, Spire Nursery and Infants school, Parkside Secondary School and the Town Hall. Staff have been stopped in the streets and had messages from the places they visited to compliment the children and share their gratitude for their wellbeing messages. What a lovely way to end the term!

We have also drawn our Easter raffle – all the prize winners have brought their winnings home (unless they have eaten them all on the way!) and we hope you enjoy them.

Happy Easter to everyone, and we hope you enjoy a well-deserved break!
