## Our School Library!

After weeks of hard work, it has been a pleasure to share our new library with our children, and of course our 'Pets as Therapy' dog Candy today! Your children will be supported to choose their new reading book over the coming days to make sure they have a book they enjoy.

We have started to restock our shelves once more, and will be collecting donations on our Crazy Hair Day next week towards buying books the children have chosen to add to our library, so all donations are welcome 😊

If you would like to see the library, please let Mrs Vernon or Miss Carter know and they will give you the tour!

**Mrs Vernon's Message:** It has been a pleasure this week to attend the **Hucklow residential** with a range of children through school. The children have had some brilliant experiences, including visiting a working sheep farm and watching sheep being sheared, visiting caverns for our **History** work, getting out in nature for **Art** and **Geography**, and as is tradition on a Spire residential, a talent show! Thank you to the staff and children for making it so special!
