Wednesday 17<sup>th</sup> June 2026,

Dear Parents / Carers,

Your child will be coming home in the next few weeks with information regarding their class for the upcoming academic year. Please know that staff have put time and effort into ensuring there is someone your child knows in their new class, and that all of the staff are looking forward to getting to know your children better, if they do not work with them already.

Although we know that transition into a new class with a new teacher can seem a bit daunting, we know that you will offer your child encouragement and reassurance that this is a positive step on their journey through school life, and help them navigate these worries. As ever, our pastoral team, teachers and wider school staff are here to answer questions and reassure your children too.
