**Date: 10/07/26**

## Mrs Vernon's Message:

Well done to all of our Year 6 children over the last few weeks, as you have been to your new schools for transition days and we have had so many positive reports back about your behaviour and conduct whilst there from all of your schools. We have equally been thrilled to welcome our new Year 3s up this week for their transition days – we hope all of the children enjoyed getting to know their new teachers if they are moving, and their new classmates. Certainly all of the teachers are looking forward to working with their new children next year!

Although it has been a hot week, please rest assured that staff have been making a range of adjustments to ensure the safety of all. Please take care in the heat again this weekend!

## Dates for the Diary:

Tuesday 14th July a.m. – Dress rehearsal for the Year 6 play (changed due to losing Friday afternoon's rehearsal time).

Tuesday 14th July - Year 6 play - Afternoon performance, 1:30 p.m. start

Monday: Chicken curry

Tuesday: Big breakfast

Wednesday: Roast gammon

Thursday: Pizza

Friday: Fish Fingers

Vegetarian options available daily.

Jacket Potato option daily.

## Plastic Clever School

Our Global Guardians have been hard at work again this week reviewing our recycling, weighing our plastic waste and making signs for our school which will help us look after the environment and our planet. Thank you to Miss Oldfield for all of the work you do with the team around this, and well done to our Global Guardians!

## Dance For Rights!

It was great to see all the children in school on Tuesday taking part in our Dance for Rights morning with the Royal Ballet and Opera. The children did so well to copy the routines and take part in the national event!
