

Should I send my child to school?

Would you have kept your child off school before Covid-19?

YES

Keep your child off school and contact us to inform of us the reason / illness.

NO

Do they have:

- 1) A new continuous or frequent cough? Or
- 2) A high temperature of over 37.8C? Or
- 3) A loss or change in smell or taste?

YES

Keep your child off school and at home. Speak to 119 or go to <https://www.gov.uk/coronavirus> and book a test. Your child and your household MUST self isolate until you have the result of the test.

NO

Does your child have an underlying health condition?

YES

Speak to their specialist team about testing criteria if you haven't already seen or spoken to them or had a letter in the post giving advice.

NO

Children who are otherwise well with:

- Runny noses
- Sore throats without a fever
- Mild colds

Can go to school as NORMAL

If the school has any concerns or identifies any symptoms we will be sending your child home. We will be treating all new persistent coughs as potentially symptomatic.
