

**Spire Junior School and T2T UK are proud to offer**

# **Kagan Cooperative Learning**

**Kagan Structures for Engagement and Achievement**

**(Level 1 - Day 1)**

**Venue:** Spire Junior School (Parking available on site)

**Date:** Monday 7<sup>th</sup> February 2022

**Lunch:** Provided - please share dietary requirements upon booking confirmation email

Create full student engagement with Kagan Structures - simple, yet powerful cooperative learning strategies. Supported by a large body of scientific research, and proven effective in countless classrooms, schools, and trusts, this revolutionary way to teach is transforming teaching and learning. Come and join us and experience the power of Kagan Structures first hand. See how easy it is to adopt in the classroom, using teamwork and pairs to create a greater level of engagement than you ever imagined possible, even for your most reluctant learners. **We are not talking about group work.** We are talking the real deal and recognising this is the difference between engaging some and engaging **all** students. When we engage all students, they all learn more. Additionally, because the Kagan structures are so cooperative and interactive, they work wonders for students' social skills development as well as their emotional growth. Come and learn easy ways to use Kagan Structures as a part of every lesson, creating greater engagement, deeper understanding of the content and improved retention. Kagan UK will give you the Seven Keys to unlock the door to successful cooperative learning. If you want more fun in teaching, highly engaged students who love your classroom, and higher test scores, this workshop is for you!

**Monday 7<sup>th</sup> February 2022**

**Only £60 per delegate with lunch included**

## Workshop Highlights:

- Boost student learning and engagement with this powerful, proven approach to teaching and learning.
- Prevent bullying, violence, and discipline problems by creating a cooperative, caring classroom.
- Pump up the fun, friendships, and love for learning and each other with Classbuilding and Teambuilding.
- Experience why group work simply does not work for everyone, and why Kagan Structures do.
- Save valuable time and energy with easy-to-use structures that make lesson planning easy.
- Master the different types of pairs and teams, how to form them, and when to use them.
- Provide students the will to work together and the skills to do so successfully.
- Take away a multitude of top tips for class management that will make managing your cooperative class super effective.
- Fully understand and implement basic principles of cooperative learning that spell success for your students.
- Create an environment where all students are accountable for complete engagement, everyday.

*“Cooperative Learning training by Kagan UK has changed the engagement in my classrooms-positive, fun-filled learning is going on!”*

— **DIANNE MILLER, PRINCIPAL**

*“Loved everything that was presented. Clearly explained the difference between group work and cooperative learning. Showed research to validate all strategies. Can't wait to implement!”*

— **ALANA SIMMONS, SECONDARY TEACHER**

Here at Spire Junior School, we have used Kagan cooperative learning structures to transform behaviour and lesson participation. The structures were introduced by Pearson Primary Teacher of the Year - Alex Bramley and we will now receive training from the UK Specialist Gavin Clowes as one of our INSET days. We are opening places to other professionals in the region on a first come, first served basis. Please complete the booking form to express your interest by clicking the link below.

Day 2 will be scheduled in 2022/23 academic year.
